RE: Public Notice - Kentucky Public Service Commission
Docket #97-461

Dear Sir:

I am in receipt of the above referenced public notice regarding the proposed installation of a 120 foot monopole to be installed by Sprint within 500 feet of the TransMontaigne (formerly ITAPCO) terminal.

I cannot determine by the site map you enclosed as to the location of the proposed monopole in relation to the TransMontaigne tank farm. The TransMontaigne tank farm is located at 700 River Road.

Please forward a more detailed map to my attention at your earliest convenience that accurately depicts the location of the monopole in relation to the terminal. Thank you in advance for your assistance.

Sincerely,
